

Larry Tomczak's Week in Review: Elephant in the Room: 2024 Trump or DeSantis?

Read Time: 42 Seconds

The media is beginning to fan the flames of a feud. In 2024 is Trump the best candidate or is DeSantis, and why are sparks starting to fly?

Now that the dust has settled from the midterms, consider 10 reasons the GOP missed it, but also what is nonnegotiable to win the White House going forward. And who's to lead the charge?

Senator Josh Hawley (R-Mo.) says the old Republican Party is dead. Major leaders say it's time for an overhaul. Political analysts are looking at alternatives and suggest maybe Trump isn't the one?

Invest 10 to gain perspective and see if you agree with what might be the best pathway to success while avoiding an ugly primary battle that leaves conservatives on the short end once again. {eoa}
