

Larry Tomczak's Week in Review: Good News! 10 Reasons Many Progressives May Soon Be Removed

The warning, "The handwriting is on the wall" (Dan.5:5) was given to expose and eliminate unrighteous political leadership. God as judge is long-suffering but eventually removes hypocritical and corrupt individuals.

In these apocalyptic times where we find ourselves swirling in a sea of uncertainty and upheaval, divine intervention is converging upon us.

Respected cultural commentator and bestselling author Larry Tomczak assesses the cultural and political climate and lays out 10 concrete reasons why many leftist-leaning politicians will soon be gone.

Invest 10 minutes with this compelling video to learn the truth today! And pass it along to others to share the inspiration and information.
