

Larry Tomczak's Week in Review: 'Here Comes the Judge!'

The Bible warns us, "Look, the Judge is standing at the door" (James 5:9b). Do you realize current apocalyptic events are not coincidental but providential? Do you understand what God expects of you in this critical hour?

Today we are seeing "a strong delusion that they should believe the lie: that they all might be condemned who did not believe the truth" (2Thess. 2:11b-12a). It's happening in our generation, and God has a plan that is unfolding at an accelerated pace.

Invest your time to understand what's happening and how people are courageously coming forth. Remember there is an incredible end-time harvest, and you have a part to play. Watch! {eo}
