

Larry Tomczak's Week in Review: Joe Biden's Shocking Letter Apologizing to Americans

A suggested draft of Joe Biden repenting as Nebuchadnezzar did is a worthy read. Now you can watch and listen to fully appreciate what may be his only hope.

His ship is sinking as problems escalate, his approval plummets and morale is at an all-time low at the White House.

Kanye West did an opera, *Nebuchadnezzar*, conveying a prophetic message from Babylon's leader, who finally humbled himself in repentance to gain a second chance.

There's hope for Biden and America. Take time to learn lessons from history as we pray for God's intervention before it's too late. {eoa}
