

Larry Tomczak's Week in Review: New 21-Point 'Contract with America', Part 2

We're enduring the worst inflation in 40 years; gas prices are way above normal; skyrocketing mortgage rates; exploding violent crime; an unprecedented, border crisis...

It's not COVID, Putin or Trump, but government policies harming all of us, our families and future.

Even a growing majority in President Joe Biden's party is declaring, "Don't run again!"

The revolutionary plan in the 1990s that catapulted traditional conservatives and their party to gain control of Congress for the first time in 40 years is being dusted off with new items to bring back America's greatness.
