

Larry Tomczak's Week in Review: No More Cupcake Christianity on the Moral Issues of the Day

Satan begins with "SAT"—he wants us sitting silent on the sidelines in the face of evil. The gospel begins with "GO"—Scripture says "Therefore take up the whole armor of God that you may be able to resist in the evil day, and having done all, to stand" (Eph. 6:13).

No more "cupcake Christianity" ... hot tub religion ... neutrality ... passivity on the great moral issues of our day.

Take 10+ and watch to be inspired and equipped to be "salt" holding back decay and ushering in the 3rd Great Awakening in our day! {eoa}
