

Larry Tomczak's Week in Review: Read the Signs—Biden's Removal Approaching Rapidly

Read the handwriting on the wall regarding the future and demise of the disastrous presidency of Joe Biden.

Seven in 10 Americans say it's time for him to get out. Even the liberal *New York Times* revealed that 64% of Democrats say he should not run again.

Even Former President Barack Obama said, "Never underestimate Joe Biden's ability to screw things up."

He is incapable, incapacitated and incompetent based on less than two years as a puppet of the progressive left.

Take 10 and be an informed influencer in today's critical time.
