

Larry Tomczak's Week in Review: Special Celebration Edition—America's 175 Absolutely Incredible Inventions!

A recent poll of 400,000 liberal college students showed 57% were not proud to be an American.

Let's seize the opportunity to ignore irritating critics and applaud America's achievements! Are these malcontents aware of the "5,000 year leap" that launched innovations which changed the entire world?

Rehearse the results of God's blessing on America as we applaud and adore our amazing, Almighty God! {eoa}
