

# Larry Tomczak's Week in Review: This Legislation Can Destroy America's Free and Fair Elections

HR1, deceptively called "For the People Act," should be branded "For the Corrupt Politicians Act." After the 2020 election, have we "awoken?" This 800-page monstrosity (already passed by the House) gives a license to cheat as well as eliminate speech of anyone objecting.

It is absolutely essential—not optional—to understand the strategy, goals and end game if this becomes law. Your life, marriage, family and the future of America is literally at stake.

Invest 10 minutes to learn from cultural commentator and bestselling author Larry Tomczak as he unpacks the cleverly-packaged law, so you will engage in stopping it before it's too late!
