

Larry Tomczak's Week in Review: This Revelation Could Transform Your Entire Life

The blockbuster bestseller *Clap Your Hands!* is now an audiobook for its 50th anniversary edition. A quarter of a million people have been reached with the gospel around the world through this entertaining, true story of a confused “so-called Christian” who came to the saving knowledge of Jesus.

Amidst astonishing decline in church involvement and an avalanche of dropouts from the faith, God is providing you with a free gift to pass along to family and friends for those you know who claim to be a Christian yet have never truly been born again.

When Jesus saw the crowds he had “compassion on them” and He said the “fields are white to harvest” and that we were to “pray the Lord of the harvest to send out laborers into the harvest!” (Matt. 9:35-36).

Will you join in this opportunity to be a blessing to multitudes and help them discover a dynamic relationship with Jesus Christ that will change their life? Listen to Larry on this brief video as he lays out God's plan for this Christmas season. {eo}
