

Larry Tomczak's Week in Review: Who Leads Pro-Life Movement? Women! Here Are 15 Champions

America's corrupt media advances the narrative that women are in solidarity supporting abortion. According to them, pro-lifers are insignificant and a feeble minority.

What a significant lie!

Take 10 and watch this inspiring video paying tribute to 15 ministries and organizations cultivating a culture of life, changing hearts and minds throughout America! Please post to encourage others.
