

Larry Tomczak's Week in Review: Why Joe Biden and Simon the Sorcerer Share Similarities

Joe Biden is about to turn 79 and is in trouble—and so is America.

What caused the change of Biden from a traditional marriage, pro-life, tough on crime, moderate Democrat senator into the most radical president in U.S. history?

Like Simon in the book of Acts, he has no moral code anymore even though he professes to be a Christian, like the manipulative figure confronted by Peter. Yet God is exposing his fraudulent actions.

There are three options on the table as his approval ratings plummet and his presidency is collapsing.

Take 10 to keep in step with the spirit and remain an informed influencer in this critical time. {eoa}
