

Larry Tomczak's Week in Review: SPECIAL EDITION, Dr. Michael Brown: Are People Born Transgender?

The Bible explicitly says in the Old and New Testament: "God created them, male and female he created them" (Gen. 1:27b, ESV). Science supports this by affirming that men have an X and Y chromosome and women have an X and X chromosome.

Today in a woke culture we are being told that you are who you believe you are, no matter what the biological roots. Does this make sense? Do we establish laws to line up with this relative thinking? Does it really matter?

Take 10 and invest in this compelling five-minute video that is part of a series of 30 free and on-demand videos so you can speak with compassion, courage and confidence when you engage on this subject today. Share the word of these videos with your friends and pastor to be an informed influencer, changing hearts and minds. Watch!
