

Lawyer Breaks Down When the Rapture Will Happen

Michael Snyder may be known for his posts about economic gloom and doom, but the lawyer and author isn't without hope, despite seemingly constant signs of God's judgment.

"The Bible tells us that we're headed for the greatest period of tribulation the church has ever seen," Snyder says.

While quoting Daniel, Snyder says, "Now, when you see this, what does it say next? Does it say, 'Hold on a minute, I'm about to come get you?' Is that what Jesus tells us here? No!"

So, when, then? He connects the dots between Matthew 28, Daniel 9 and 1 Corinthians to when the rapture will happen.
