

Learning to Love

Heidi and Rolland Baker (Chosen Books)

Missionaries for more than 30 years, the Bakers know a thing or two about God's love. Since moving to Mozambique in 1995—then the poorest country in the world—they have clothed, fed and sheltered tens of thousands of children and have witnessed God's miraculous ability to provide. In their latest book, they share true stories of God's miracle-working power and give jaw-dropping examples of His love for mankind.
