

Leviathan Spinning and Twisting, Ready to Snap the Head Off

The leviathan is sneaky, cozying up to victims, lulling them into a sense of security before tightening its grasp. The victim becomes disillusioned and confused.

“It spins and it twists until it snaps the head off. That’s leviathan,” Jim Bakker says in a recent episode of *The Jim Bakker Show*.

Bakker cites the spirit’s appearances in both Isaiah 27 and Revelation 20.

Could the growing presence of leviathan be a sign that we’ve reached the Great Sorrow?
