

Liberty Counsel: We Must Build Upon Great Legislative Victories

Liberty Counsel Director of Public Policy Jonathan Alexandre shares a vision to build upon recent legislative victories. From tax cuts to the passage of the Taylor Force Act and the attack on online sex trafficking, Alexandre says in the above video that it's no time for complacency

"We applaud the successes of the Republicans' Tax Cuts and Jobs Act because it is already delivering relief to working families in America," Alexandre said. "The Taylor Force Act is a law that is critical to fighting terrorism. This measure promises to help safeguard the peace and the safety of our strongest ally in the Middle East, Israel. But, there is still a lot left on the table."
