

Live From My Church

 By Jared Anderson | Integrity Music

He's an associate pastor at New Life Church in Colorado Springs, Colorado, so it's only fitting that he would title his latest release *Jared Anderson: Live From My Church*.

Singer Jared Anderson demonstrates his passion for modern worship, and uses the project to create an atmosphere of awe and surrender for listeners.

Cuts such as "Lift the Name," "Never Be Shaken" and "Prepare the Way" reflect God's faithfulness and protection for His people. "Fill Me Up," "O How He Loves Me" and the popular "Glorified" call listeners to a deeper, intimate worship experience with the Father.

Listeners will appreciate the spontaneous worship birthed in a live recording. But loud musical instruments heard in a few of the cuts overpower the project's powerful lyrics. *Jared Anderson: Live From My Church* comes with several companion resources including CD Trax and a digital songbook.
