Joni Eareckson Tada
Regal

Joni Eareckson Tada tackles 10 of today's thorniest issues in her latest book, *Life in the Balance: Biblical Answers for the Issues of Our Day*.

Tada, a quadriplegic since 1967, joins with several of her friends to

address such topics as stem-cell research, genocide, urban violence and

the American dream. With a foreword written by Chuck Colson, the book

seeks to dig deep into God's Word to find answers to life's "unsolvable"

problems. Developed for small-group study, *Life in the Balance* complements a DVD and leader's guide that are sold separately.
