

Lisa Bevere Reveals How You Can Be a Godmother to a Generation of Women

Lisa Bevere is a *New York Times* bestselling author. Her book *Godmothers: Why You Need One. How To Be One*, is a great read and can show you how to be a godmother to a generation of women.

Lisa is a fireball, and she loves women encouraging other women.

In her younger years, Lisa really had a problem with other women. After she gave her life to Christ, God changed all of that. She was then shown by God how much He truly loves women.

Now, at 60, God has given Lisa a sincere, godly love and respect for all women.

She says "It is not good for man to be alone." She was shown a vision from God and was then commanded to be everything a kingdom woman should be as an example to the multitudes of women around the world.

This woman of God has been replenished and restored from so many issues and is truly a blessing for many. Lisa says, "We don't need to fight each other." Lisa believes daughters should, and can, gain strength during this time.

"God can use seasons of captivity for women to gain strength," Lisa says. "God wants His women gaining strength during this time."
