

Lisa Bevere: The Fierce and Wild Nature of God's Love

As believers, it is easy to feel like we understand that God loves us and to simply move on to other biblical truths and realities to explore. After all, we all sang “Jesus loves me, this I know” growing up in a church setting.

The fact of the matter is, we may theologically grasp that God loves us, but often it hasn't become a living revelation inside of our hearts. When we encounter His life-giving love, it is radically transformational, and is greater than our wildest imaginations.

On the latest episode of *Awaken Podcast*, I chat with author and speaker Lisa Bevere about the fierce and wild nature of God's love.
