

Man Gets a Glimpse of Heaven in Near-Death Experience

His heart shut down. His blood pressure plummeted. What started as a routine procedure catapulted Dean Braxton's body into multi-organ failure.

As doctors worked furiously to restore Braxton's life, his wife, Marilyn, began to pray.

"I did say to the Lord, I said 'Lord, You said in Your Word that you've come to give Dean life, and life abundantly. And I claim that abundant life for him,'" she said.
