

Man Who Spent 23 Minutes in Hell: Don't Downplay Hell

Why do so many people attempt to soften the subject of hell?

Why do they try to make it seem less horrifying, less severe or even non-existent?

It's because they cannot reconcile a loving God with a God who would allow such intense suffering. People have actually created a god in their minds who doesn't exist.

Bill Wiese is the author of New York Times bestselling book *23 Minutes in Hell*, the story of his life-changing visit to hell in 1998.
