

Marco Rubio Launches New 'Super Tuesday I' Ad

Thursday, U.S. Sen. Marco Rubio (R-Fla.) released a new TV ad in several of the "Super Tuesday I" states.

In the 30-second spot titled "Revolution," Rubio shares how a generation was inspired by Ronald Reagan. The senator also explains how today the children of the Reagan revolution are ready to lead the country into a "New American Century."

"Thirty-six years ago, this nation faced a period of doubt. After a failed presidency, it felt like America was in decline, our economy was stagnant, and the American Dream felt like it was slipping away," Rubio says in the ad. "And then we elected a president that inspired us, who asked us to remember who we were and who believed as we do that America's greatest days always lie ahead.

"Well now the children of the Reagan revolution are ready to assume the mantle of leadership."
