

Marilyn Hickey: Boost Your Faith With These Testimonies of Divine Healing

Reading stories of healing will stir your faith. When we read of the victories others have, we think, *If God can do it for them, God can do it for me*. You can't argue with a miracle, and *Stories of Divine Healing with Randy Clark* is filled with stories of divine healing. God wants every person to pray for healing and creative miracles. We walk in the realm of supernatural healing. Build up your faith, and trust in God's healing power—miracles are for you!

Discover the unlimited power and joy of knowing Christ intimately by meditating on His Word, and respond by doing what He says. The *12-Week Study of Following Christ with Steven Scott*, which comes with a workbook and DVD, illustrates the truth that God wants intimacy with us. When you begin to know what Jesus said, everything changes. His commands aren't burdensome, and they don't weigh us down. The 12 critical subjects covered in the study can be used in a group bible study or a personal journal. Jesus made 21 promises about His Word, and *The 12-Week Study of Following Christ* will show you what they are.

Jesus holds our lives together; He's the glue. Unfortunately, we can be broken in our spirit, soul, mind, emotions, will and body. But Jesus wants us whole. *Broken Be Made Whole*, an interactive guide to overcoming brokenness in our lives, will remind you that Christ in us is the hope of glory, and all the promises are in Jesus. Brokenness in us makes room for God, so hold firm to your faith and do not let the Word depart from your eyes. You can receive healing!
