

Marilyn Hickey on Being Overcomers, Healing Prayers and Miracles Today

As Christians, we are created to overcome, not be defeated. We are to be equipped in the Word and the Spirit of God to enforce the resurrection power of Jesus. Becky Dvorak's book, *Conquering the Spirit of Death*, teaches how to throw off the spirit of death and take hold of the joy and abundance of Jesus' resurrection power! The same Spirit that raised Christ from the dead lives in us. Negative emotions—depression, fear, anxiety—partner with the spirit of death. As Christians, we are not to be oppressed by the enemy. We need to take the authority that God gave us.

Healing and health are the bread of the children. It is the passion of Jesus to heal but what happens when prayers for healing go unanswered? Satan is the adversary to God's will and God's people. In the courtrooms of heaven, he brings charges against believers to prevent their healing. Robert Henderson's book, *Receiving Healing from the Courts of Heaven*, teaches you to align your prayers with the legal process of heaven to defeat the devil's arguments. You can learn how to legally unlock divine destiny over your life and bring appeal before the courtroom of heaven.

Do you need a miracle today? Can the bitter situations in your life be changed? Can your problems be changed, generational issues be broken? Yes! God shows us a way to see the miraculous come into the worst place in our lives through a process in the natural produces the supernatural act of God. Your act of faith releases the power of God. Look at your need: is it a cursed place with sickness, finances, family or job? When we act and do what God tells us to do in the natural, then He performs the supernatural

because of our act of faith. {eoa]
