

Marilyn Hickey Says Bible Comprehension and Trusting in God Are Key to Spiritual Health

Susie Larson believes our emotional, spiritual and physical health are intertwined. Spiritual difficulties can have physical consequences, and physical illnesses can have emotional and even spiritual ramifications. She believes that you have to contend for the things God has promised you. You have to be a fighter! If the devil can't have your soul, he will do everything he can to distract your soul. Susie's book, *Fully Alive*, is an uplifting guide for anyone who longs to know the health, freedom and wholeness that Jesus wants for us. In order for true healing to occur, it must happen holistically—mind, body and spirit.

Do you want to look at your Bible in a way that is fresh, new and engaging? *Core 52: Bible IQ with Mark Moore* is a 15-minute daily guide to build your Bible IQ in a year, which is key to help you experience your Bible. Reading your Bible four days a week or more will liberate you and make you a better you. This book coaches you to have comfort and confidence in the Bible. It's a fastpass to get you where you want to go spiritually. The God who created you spoke the Bible, and He'll speak to you so that as you read these pages, the message will always be new.

Kim Meeder believes our God is unstoppable, unfathomable and untamable. Our God is wild. Kim's book, *Encountering Our Wild God*, will show you practical, everyday ways to pursue God more passionately and trust Him more fiercely. Kim says that God isn't calling us to fully understand him—He's calling us to fully trust Him. Listening to God is key as He beckons us to

pursue Him beyond our circumstances, beyond our emotions and beyond our logic into the glorious mystery that is Him. The wild beauty and glory of our God are calling. {eoa}
