

Marilyn Hickey: When You Say Yes to God, You Step Into the Supernatural

Is God too good to be true? No! We have a wonderful, heavenly Father who loves us and cares about everything in our lives. God will come through for you if you say a divine “yes.”

Is God telling you to do something? Does it seem impossible? Remember, you can do all things through Christ who strengthens you. When we say yes to God, we get into the supernatural. But if we say no, we can miss out on the amazing supernatural realm.

All the promises in Him are yes and amen. God can turn things around. Keep yourself in faith to see the turnaround. In Jesus, our healing—for marriages, relationships, finances, bodies and emotions—is provided.

Jesus wants you to be whole in your spirit, soul and body. Nothing heals and sustains us more than Jesus in our lives, and the more you get involved with the Word, the more healing flows.

Your feelings are not as important as your faith—just start saying what God’s Word says. “Broken Be Made Whole” will give you the steps of faith you need.

Do you need to be set free and to receive a fresh identity in Jesus? There are prayers and declarations that will open the courts of heaven so you can approach God from a judicial perspective and ask Him for decisions that can reorder and reset activities on the earth.

Destiny is not what we create; it’s something we discover. Our job is to fulfill what was written in the book of heaven about

us.

Jesus legally stripped the enemy of his rights to act against us. Ask the Lord for the destiny we were made for. The devil tries to categorize us and put limits on us. You can learn how to silence the voice of the accuser and be free to believe who you are in God.
