

MAY 2012: How to Raise a Superstar

IN THIS ISSUE ...

Just in time for Mother's Day, Kate Battistelli sets the parenting bar high in this month's tongue-in-cheek-titled cover story, "How to Raise a Superstar." The mother of Dove-award winning and Grammy-nominated Christian artist Francesca Battistelli firmly believes great parenting doesn't happen by accident, and here she offers a few keys to steer your children toward their destiny in God.

Counselor Greg Jantz continues the parenting theme by sharing how to prevent the allure of digital media from overtaking your family.

In "The Point of Your Anointing," evangelist Reinhard Bonnke delves into an often misused term—*anointing*—and reveals how we can walk in the same power as Jesus did.

Brooklyn Tabernacle pastor Jim Cymbala shares how, despite our frequent misunderstanding and misrepresentation of the Holy Spirit, we're still desperate for His movement in our lives.

Amid our nation's increasing culture wars over faith, family and freedom, James Robison and Jay Richards unveil their plan for "How to Restore America" to its godly foundation.

And speaking of America's future, Samuel Rodriguez continues our yearlong look at "The 12 Communities of *Charisma*" by highlighting the Hispanic Pentecostal-charismatic community, and he explains why this growing group may be the key remedy for our nation's current spiritual crisis.
