

Men, It's Time to Come Clean

America is No. 1 in the world in many ways. Sadly, it's also No. 1 in the purveyor of pornography. Many believers are trapped. Depending upon what surveys you believe, as many as 40 percent of all Christian men need to come clean from sexual sin.

That's why it's important that we get the word out about Doug Weiss' new book, *Clean*, published by Thomas Nelson Inc., that releases Tuesday. Instead of haranguing men about their lack of sexual integrity, this is a proven plan for men committed to stay clean. That's because all Christian men have been called to a life of sexual success.

Weiss is a well-known author and has written many books. I got an advanced copy of his book in February and read it. To me, it's the best book he's written. It's clear and concise, and it has a lot of new information not contained in his other books—things such as intimacy anorexia and the importance of holiness and how it relates to being clean sexually.

There have been only a few books on this topic that have been widely circulated. I am committed to helping to spread the word about this book because, in a world that is increasingly sexually promiscuous, the church must get its act together. The church must become clean.

This book is available at Christian bookstores. But you can also buy it at Weiss' ministry website at [www.dougweiss.com](#). We also need to get the word out on social media. Please forward this email or tell your friends about it.

Charisma Media's New Man website has already run a couple of excerpts from *Clean*. [Click here](#) to read one of them.

Every Christian man is born into a sexual war. The enemy attacks the young, hoping to scar them permanently and leave

them ruined. But your past is not enough to keep you from the enduringly clean life you want and deserve.

Clean is a priceless, no-nonsense resource for every husband, father, brother, son, friend, pastor and Christian leader on the front lines of this war. It is a soldier's handbook for those ready to reclaim their homes, churches and nations for the God who has built them to succeed.

Weiss has been clean for more than 25 years, and he has devoted his life to helping other men achieve victory. "This book," says Weiss, "contains tested and tried weapons for you to get and stay clean—not for a week, month or year, but for the rest of your life."

Clean provides you with biblical, practical, dependable weapons for seizing and maintaining a clean life for yourself and those you love. You will even be equipped to reach out to your brothers-in-arms and teach them to walk with you in cleanness.

"If the devil wants war, bring it on!" says Weiss. Join the battle! Your sexual life is worth fighting for!
