

Michael Brown: The Most Compelling Messianic Prophecy in the Bible

There are many prophecies about the Messiah found in the pages of the Hebrew Bible (what Christians refer to as the Old Testament). But there is one prophecy in particular that has opened the eyes of more readers than any others, the prophecy commonly known as "Isaiah 53."

Our ministry has just produced an eye-opening, 5-minute animated video that will take you into heart of this amazing prophecy and help you understand why so many Jewish people around the world have put their faith in Yeshua because of these very words.
