

Mind-Blowing Miracles That Prove God's Still in the Healing Business

From legs growing longer to the removal of blindness, Dennis Lindsay recalls how God used his father, J. Gordon Lindsay, to perform miraculous healings.

In one memory, Dennis recalls a man coming on the stage with a 13-inch built-up shoe.

"My dad says, 'Now, we're just going to trust the Lord and believe for a miracle right here,'" Dennis says.

"I remember walking right up to the stage ... and I remember my dad, 'Here it comes! Here it comes!' And everybody jumped up in the tent."
