

Minnesota Cuke and the Search for Noah's Umbrella

 Big Idea

Big Idea again pays homage to Indiana Jones in *Minnesota Cuke and the Search for Noah's Umbrella*. Inspired by the biblical story of Noah's ark, the DVD is the sequel to *VeggieTales: Minnesota Cuke and the Search for Samson's Hairbrush*, which released in 2005 and followed the adventures of the museum curator and part-time detective played by Larry the Cucumber.

This time Larry sets out to find Noah's ark, but his mission is complicated when he learns of Noah's mysterious umbrella, also sought by a clever villain. Subtitled *A Lesson in Confidence*, the 50-minute adventure teaches the importance of doing the right thing.

The DVD features bonuses such as commentary, a discussion guide and the unforgettable "Silly Songs With Larry." [Click here to purchase this DVD.](#)
