

Modern Day Wisdom Featuring Marilyn Hickey

With many voices chiming in with a myriad of opinions, it's becoming more challenging to have sober judgment and make wise decisions. In an insight-filled talk, evangelist Marilyn Hickey shares, "You have to be careful to feed your faith and not your doubts."

In simplicity and gentleness, you can hear the voice of a general exhorting us to remember that Jesus really is the answer and the Word of God is relevant, active and powerful.

God has given us everything we need to see His kingdom advance on the earth.
