A Shaking So Strong Is Coming It Will Rock the Foundations of the Church

Zuly Garcia, co-founder of Father's Glory International with her husband, Chris Garcia, says God recently spoke a prophetic word to her that will shake the foundations of the church body at large.

"There is a shaking coming to the church that is so strong that only those who have their eyes fixed on Jesus will be able to stand," Zuly says. "It's necessary for the shaking that is getting ready to take place because the Lord needs His bride to be focused.

"So, please, keep your eyes focused on Jesus. I literally saw our feet being planted in firm foundation, like concrete when it is settling and its wet and then it dries. Our feet were solid in Him and we were focused on Him. I saw our eyes fixed on Him.

Supernatural Signs: Solar Eclipses Converge Over 'The Empty Cross' in Texas

In our current era, remarkable events are unfolding, alluding to the imminent fulfillment of biblical prophecies, including the rapture of the church (1 Thess. 4:16) and the return of

Christ in judgment (Rev. 19:11).

Bible scholars widely acknowledge that a multitude of signs have come to pass, causing both concern and anticipation as we witness the rapid advance of evil against God's children, including Jews and Christians.

History bears witness to the rebirth of Israel as a nation on May 14, 1948, precisely as foretold in Isaiah 66:8. Jesus is anticipated to return as the conquering King, riding a white horse, prepared to wage war against those who have rejected His love and persecuted His followers (Ps. 9:8). This event, described as the "great and terrible day of the Lord," (Joel 2:31), will reveal a stern countenance, with "fire in His eyes," (Rev. 2:8).

Larry Tomczak's Week in Review: 7 Reasons to Resist the Progressives' Marijuana Plan

Just days ago, 15 United States senators issued an urgent call for the Drug Enforcement Administration, demanding it deny rescheduling marijuana as a lower risk drug. Numerous reasons were cited, but one of the major ones was the fact that THC levels in today's weed are three times as potent as years ago. Our kids' lives are at stake!

By now you've probably heard of Biden's progressive plans pushing marijuana legalization: After Health and Human Services eases federal restrictions, have the DEA take the next step before people really notice.

As a record 91,000 migrant families streamed across the open border in August and we lament another 100,000 fentanyl deaths, the cartels laugh, get rich and applaud the attempts to increase acceptance of casual drug usage. {eo}
