How You Can Recognize and Overcome Spiritual Attack

There is a battle going on spiritually over you, and sometimes God makes you aware of the battle so that you can press through, make some changes, identify or discern some things or remove some things from your life. Awareness of spiritual warfare is a gift that shouldn't be "on" all the time, but when you feel the battle, you have some empowered choices to make, and there are Scriptures that can help you.

It starts with having the overcomer's mindset: that no weapon formed against you will prosper. It will form, but it won't prosper.

"No, in all these things we are more than conquerors through Him who loved us. For I am persuaded that neither death nor life, neither angels nor principalities nor powers, neither things present nor things to come, neither height nor depth, nor any other created thing, shall be able to separate us from the love of God, which is in Christ Jesus our Lord" (Rom. 8:37-39).
