Chris Reed With Brandon Biggs: Deciphering Today's Prophetic Hot Spots

In a recent interview with Brandon Biggs, prophetic voice Chris Reed of MorningStar Ministries shared a series of visions and interpretations concerning significant future events. The discussion covered various topics, from earthquakes and eclipses to potential political upheavals and global unrest. Here is a breakdown of the key points Reed addressed.

Fulfillment of Prophecy Regarding the Eclipse and Earthquake

Reed emphasized a 16-month prophetic timeline starting from April 2024. He connected this period to an eclipse and a significant earthquake that occurred three days prior, describing the events as a fulfillment of prophecy.

Was the Downfall of the Stock Market Foretold to the Prophets?

Was the downfall of the Dow Jones foretold to God's prophetic voices?

In an interview with Charisma Media, prophet Tomi Arayomi discussed the supernatural dream he had about the downfall of the Dow Jones before it took place.

"On July 24, I was woken up at 7:18 a.m., and I saw this vision of men in...you call it Wall Street," Arayomi said. And they were yelling 'the Dow Jones; what happened to the Dow Jones?' And it was as if overnight a thief had broken in and stolen, and all of a sudden I saw the Dow begin to plummet."

Not the End for Financial Markets, but the Beginning of the Chaos

During the days ahead, we are going to see some wild ups and some wild downs, and this tragedy is going to take some time to fully play out. But without a doubt, we have got a major problem on our hands.

After the chaos that we witnessed on Aug. 2, I wasn't sure that we would see even more carnage on Monday, but that is precisely what transpired.

The Dow Jones Industrial Average declined 1, points, or 2.6%, to close at 38,. The S&P 500 fell 3%, ending at 5,. Both averages notched their worst daily losses since September 2022.

The tech-heavy Nasdaq Composite shed %, finishing at 16,.
