God Is Releasing the End-Times Flood

With the collapse of Judeo/Christian values in Western culture, people are left to frame their lives through means that are not defined by the biblical narrative.

Thus, presently, there is a free-for-all system where every person defines their own laws, ethics and values. Self-expression is the new ethos, and even if self-destructive lifestyles diminish the quality of a society, restricting it is a great taboo and cited as a form of bigotry.

As traditional narratives continue to be deconstructed, this has also resulted in a loss of the collective metanarrative for understanding the world. This leads to uncertainty, nihilism and a feeling-based morality that determines public policy in which one's identity trumps psychology above biology.

More Prophetic Voices Shed Light on Donald Trump's Verdict

Last week's verdict on the Trump trial surprised many. However, could there be something deeper than what we've seen on the surface?

In a prophetic dream from March 9, prophetic voice Chris Reed saw that July 11 would be a significant date. As we now know, the 11th is the date set for Trump's sentencing. Not only was the date of the 11th important, but a year from now, July 2025, stood out to him as critical.

"It seemed like most of the chaos ended in the nation, and things started to heal by July 2025. It had started in April/May 2024 (with the eclipse/conception) and was 40 weeks of pregnancy with intense birth pangs," Reed prophesied. "There were complications before the birth and after the (40 weeks) birth."

'Ms. Rachel' and 'Sesame Street' Celebrate Pride Month

There is a spiritual assignment against our children right now.

Content creator Ms. Rachel is known for producing videos that parents have flocked to for their babies and toddler-aged children. However, Ms. Rachel, whose full name is Rachel Accurso, has made it clear that she is all in for pride and would prefer if her conservative viewers simply didn't look at her videos anymore.

"Happy pride to all of our wonderful families and friends," Accurso says in a TikTok video wearing a rainbow-colored button down. "This month and every month I celebrate you. I'm so glad you're here, exactly who you are, to those who are going to comment they can't watch the show anymore because of this support, no worries and much love your way. God bless."
