

Morning Rundown: Jonathan Cahn Battles Dark Forces in Unprecedented Spiritual Warfare

Here's a quick rundown of the top stories on :

Jonathan Cahn Battles Dark Forces in Unprecedented Spiritual Warfare

Is there a 3,000-year-old mystery that holds the key to the Hamas invasion on Israel? Are we living in the end of days? And what does the future hold?

In a major announcement, Jonathan Cahn revealed his big news for 2024: the upcoming release of his latest book, "The Dragon's Prophecy: Israel, the Dark Resurrection, and the End of Days."

"This is the first glimpse of what's coming," Cahn says in the announcement video.

Alarm Sounds for the US Food Supply

How much more are you spending on food each month compared to two or three years ago?

In recent years, our leaders have been flooding the system with money at the same time that global supplies of food have been getting tighter and tighter.

On the other side of the world, hundreds of millions of people

do not have enough food to eat on a regular basis and children are literally dropping dead from starvation.

Haiti Plunging Into Chaos, State of Emergency Declared

Two mass prison breaks have sent the Caribbean nation of Haiti reeling even further into the cycle of violence plaguing the nation.

The powerful gangs challenging the government for control of the country now reportedly control up to 80% of the nation's capital, according to UN estimates.

"We have chosen to take our destiny in our own hands. The battle we are waging will not only topple Ariel's government. It is a battle that will change the whole system," says gang leader and former police officer Jimmy "Barbeque" Chérizier.{eoa}
