93-Year-Old's Remarkable Vision About Heaven

93-year-old Doris Sumner's supernatural experience with God has changed her entire life.

Sharing her testimony through Seeking His Presence Ministries, Sumner says this vision started during a time of meditating and reading the Word of God with her husband. Soon, it appeared as though her husband was gone, and there was a divine presence in the room with her.

"This presence spoke to me. He said, 'I am God,'" Sumner says. "He spoke to my heart. He spoke to me in the spirit. He didn't show me His face, but His presence was like nothing I had ever felt. It never happened to me before as I marveled at His presence."
