Kate Middleton Shares Emotional Update Video as Cancer Fight Reaches 'New Phase'

Catherine, Princess of Wales, says her chemotherapy treatments are over for the cancer with which she was diagnosed in January and which she publicly announced having in March.

The announcement was made in a post on X, in which Kate shared a video of multiple family moments, as she narrated.

"As the summer comes to an end, I cannot tell you what a relief it is to have finally completed my chemotherapy treatment," she said.

Jonathan Cahn and Vlad Savchuk: Secrets of Spiritual Warfare

What kinds of dark forces were behind the Hamas invasion of Israel on Oct. 7, 2023?

In an interview between Vlad Savchuk and Jonathan Cahn, the two unlocked the mysteries surrounding the October 7 invasion of Hamas on Israel, and how Cahn's latest book, "The Dragon's Prophecy," details the dark forces behind what happened.

"I was speaking at the congregation," Cahn says, "And I'm speaking on the mystery that ordained that there would be an

attack on Israel. It would be in the year 2023, it would happen in October of 2023, it would catch Israel by surprise, it would be a calamity, it would happen on a Sabbath day, it would take place on a Hebrew holiday, it would happen on the first Saturday of October of 2023. That is what the mystery ordained. I shared that; the next morning it happened."
