Michael Tait and the Newsboys: Why He's Stepping Away After 15 Years

Michael Tait, the dynamic lead singer of the Christian band Newsboys, has announced that he's stepping down after more than 15 incredible years with the group. His decision, fueled by prayer and fasting, gives us all something to think about when it comes to handling life's big moments.

In a heartfelt social media post, he shared the journey that brought him to this major choice. "Fifteen years ago, my life was forever changed when I received the invite to step into the role of lead singer for Newsboys," he wrote. Reflecting on his time with the band, he called it "some of the most fulfilling, faith-filled, and rewarding years of my life." And it's no wonder—under his leadership, the band experienced a major resurgence with hits like "Born Again" and "God's Not Dead," reaching fans all over the world.

Tait's announcement wasn't just a quick decision. "This decision does not come lightly and has been a shock to even myself," he admitted. But he didn't make this call on a whim. "Amidst prayer and fasting, I have clarity that this is the right decision," he said. And here's where it gets inspiring: Tait leaned on Matthew 6:33, a verse that reminded him to "seek first his kingdom and his righteousness." It's a great

reminder for all of us to keep God at the center when making those tough life choices.

PRAY: Prophecies Predict Terrorist Attacks, Attempts on Trump's Life as Inauguration Nears

President-elect Donald Trump has long been seen by Christians as a modern-day Cyrus, the ancient king of Persia used of God to, as Lance Wallnau has said, "navigate in chaos." But does still more chaos lie ahead? With disturbing news coming from the prophetic realm, prophets including Wallnau, Brandon Biggs and others are urgently calling on Christians to intercede for Trump's safety and for our nation.

Oh Boy! Flying into D.C. and just read the following text...

Decision was made today to move Innauguration indoors to a Hockey Arena.

"Today on our prayer zoom, a 7 year old boy last week in Guatemala had a dream that President Trump was shot on live TV in a hockey arena."

Following his original X post, Wallnau added on the platform, "I post this because my audience prays and since I myself am going [to the inauguration] I want to be a presence in the place that prays against the demons in that place."

Chuck Pierce Reveals His Word for 2025

Renowned prophet Chuck Pierce shared powerful insights for 2025, emphasizing that it will be a year marked by both grace and conflict. During a livestream with Christian International's Jane Hamon, Pierce described how God's timing and positioning will be essential for believers to navigate the challenges ahead and fulfill their divine purposes.

"I think this year more than ever it is important that we understand times and know what we are to do," says Pierce.

Pierce says the night before the election, the Lord woke him up at 3:00 a.m. Prior to going to sleep, Pierce asked the Lord if He could show him anything beyond the year 2026 since God had previously given him insight into the years leading up to 2026.
