Mike Winger Says Benny Hinn Is Not a Christian During Interview With Charisma

Christian YouTuber Mike Winger, an ordained pastor who is not currently shepherding a church, recently spoke with Charisma Media's John Matarazzo about his four-hour video titled "The Victims of Benny Hinn: 30 years of Spiritual Deception."

Seventeen days after posting his viral video, Winger shared in a separate video that Hinn was attempting to get the previous video, which has over 900,000 views, removed from YouTube. In the four-hour video, Winger argued that Hinn was financially and spiritually abusive throughout his years of ministry.

Winger's interview with Charisma comes after the outlet posted a two-part interview with Hinn. Matarazzo said, "We're trying to platform voices the best way that we can as we see God moving."

Perry Stone: Shocking New Mystery Behind JFK Murder

The assassination of President Kennedy may have more spiritual significance than anyone first thought.

In a recent video, Perry Stone unlocked a spiritual mystery revolving around JFK's death.

Recounting details from Pastor Davis, a former missionary in Haiti during Kennedy's presidency, Stone says it's quite possible that an occult leader from Haiti placed a curse over Kennedy, leading to his death. Stone says this would have followed when Kennedy put a blockade on Haiti. The Haitian leader, Francois Duvalier, also known as "Poppa Doc," was largely into witchcraft and voodoo at the time of Kennedy's presidency.

The Long-Lost Site of Pentecost Uncovered

Has the location of the upper room from the Day of Pentecost been discovered?

Archaeologist Joel Kramer just may have uncovered the location where the Last Supper and the Day of Pentecost happened.

Going on one of his archeological expeditions, Kramer took a careful look at a synagogue from the excavation project of Jewish archaeologist, Jacob Pinkerfield. In this ancient synagogue, Pinkerfield noticed a "Torah Arc" in the building. These arcs are where Jewish Scriptures were kept in places of worship.
