'Ms. Rachel' and 'Sesame Street' Go All Out for Pride Month

The spiritual assignment against America's children continues to get darker and darker.

Content creator Ms. Rachel is known for producing videos that parents have flocked to for their babies and toddler-aged children. However, Ms. Rachel, whose full name is Rachel Accurso, has made it clear that she is all in for pride and would prefer if her conservative viewers simply didn't look at her videos anymore.

"Happy pride to all of our wonderful families and friends," Accurso says in a TikTok video wearing a rainbow-colored button down. "This month and every month I celebrate you. I'm so glad you're here, exactly who you are, to those who are going to comment they can't watch the show anymore because of this support, no worries and much love your way. God bless."

Jenny Weaver's Incredible Vision for a Summer of Baptisms

The Holy Spirit placed a dream on Jenny Weaver, and so far, this dream is only beginning.

In an exclusive interview with Charisma Media, Jenny Weaver discussed how she came to the conclusion that this summer would be a summer to see the miraculous happen through baptisms.

“It wasn’t a focus of our ministry at all,” Weaver says. “But I remember the Lord speaking to me so clearly, right around Resurrection Sunday and everybody was gearing up for that. And I’m like, ‘okay, Lord, what do you want from us?’”

More Prophetic Voices Shed Light on the Trump Trial

Last week’s verdict on the Trump trial surprised many. However, could there be something deeper than what we’ve seen on the surface?

In a prophetic dream from March 9, prophetic voice Chris Reed saw that July 11 would be a significant date. As we now know, the 11th is the date set for Trump’s sentencing. Not only was the date of the 11th important, but a year from now, July 2025, stood out to him as critical.

“It seemed like most of the chaos ended in the nation, and things started to heal by July 2025. It had started in April/May 2024 (with the eclipse/conception) and was 40 weeks of pregnancy with intense birth pangs,” Reed prophesied. “There were complications before the birth and after the (40 weeks) birth.”
