

Morning Rundown: Steven Furtick's Elevation Church Reaches \$100 Million Milestone

Here's a quick rundown of the top stories on :

Steven Furtick's Elevation Church Reaches \$100 Million Milestone

Elevation Church made a \$100 million dollar milestone in 2023.

In their 2023 annual report, the megachurch shared how they received over \$97 million in tithes and offerings and more than \$11 million for year-end giving. This \$108 million dollar figure comes as the church continues to see rapid growth.

In the annual report, Elevation states that they are seeing 17,061 people attend weekly, a 21% increase from 2022. In 2023, the multi-site North Carolina-based megachurch added locations in Belmont, North Carolina, Orlando, Florida and Toronto, Canada.

A Woman Says That an Angel Showed Her 4 Major Things That Are Going to Happen in 2025

Are you ready for complete and utter chaos to break loose in 2025?

In this article, I am going to share with you a very alarming video that a friend sent over. I watched the entire video, and it really resonated with me. A woman says that an angel showed her 4 major things that are coming in 2025, and all of the

major things that this woman was shown have also been seen by others.

In recent years, people all over the world have been having supernatural experiences in which details about important events that are going to happen in the future are revealed, and this is something that I have been documenting for a long time. Unfortunately, most of the global population is not interested in such warnings.

Was the Yellowstone Explosion a Key to a Prophetic Warning?

Yesterday's hydrothermal explosion at Biscuit Basin in Yellowstone National Park was a shock to the entire world.

The National Park Service shared on their site that the explosion happened around 10:19 a.m. north of Old Faithful in Biscuit Basin near the Sapphire Pool. Due to the explosion, Biscuit Basin will stay closed for the rest of the summer.

On X, the Yellowstone National Park wrote, "(Heads up!) Biscuit Basin in Yellowstone National Park temporarily closed due to hydrothermal explosion."
