My Heart, The Holy Spirit's Home: A Woman's Guide to Welcoming the Holy Spirit Into Your Daily Life

should be read with Bible in hand. Author and speaker Lynda Hunter Bjorklund offers it as a guide to Christian women of all denominations on developing a relationship with the Holy Spirit.

Rather than debating the subject of tongues, she asserts that the Spirit-filled believer can use the gift as a means of worship and communication with God. She then introduces the work of the Holy Spirit as Helper, Power and Authority, and leads the reader to explore His work in building character, assigning abilities and fulfilling one's purpose in life.

While encouraging women toward a more dynamic relationship with God, Bjorklund closes with a caution to trust but verify with the Scriptures all guidance on this subject. *My Heart, The Holy Spirit's Home* serves as a resource for women who truly want to welcome the Holy Spirit into their daily lives.
