

Never Quit!

✖ The only way to lose is to quit. The temptation to quit, to turn in a different direction or to give up is always present. Learning how to resist that temptation is a major factor in winning.

Legendary Alabama football coach Bear Bryant identified players who were winners in his sport. Coach Bryant was a strict disciplinarian and the model for integrity and fairness. He once described the three types of individuals who play the game:

“First, there are those who are winners and know they are winners. Then there are the losers who know they are losers. Then there are those who are not winners but don’t know it. They’re the ones for me. They never quit trying. They’re the soul of our game.”

Be the individual who never quits trying. Never stop. You are now destined as a winner in the game of life!
