The fires in California are a result of a seven-year-drought. Following 2 Chronicles 7:13, God has done what He said He was going to do: He has withheld the rain.

Gov. Brown claims the fires are a result of “global warming.”

No, God is in charge; it’s His “global warning.”

God has withheld the rain because our state stands increasingly for wicked practices.

It may now rank as the most wicked of our 50 states.

Our legislature, governor and courts place the stamp of authority on practices that are an abomination to the Lord, such as abortion, same-sex marriage, pornography, greed, idolatry, mammon, rebellion, mind-destroying drugs, restrictions on religious freedom, euthanasia. The stench keeps rising.

Not using Holy Spirit fire, God sends His fire in the natural.

Pastors and priests throughout California will be encouraged to hold repentance services, a “sacred assembly” in their communities on Aug. 11.

A 9 a.m. to noon repentance service will be held at Four Square Church, 1470 McKinley Avenue, San Jose.

Believers in Christ nationally, and in other nations, will also be invited to repent on Aug. 11. Sincere repentance brings God's healing of a state and a nation.

If you want to help those affected by the fires, you can give through Charisma's non-profit partner Christian Life Missions. One hundred percent of your donation will go to those affected. We have already sent \$5000 to Bill Johnson and Bethel Church since they know where the needs are. Send a check to Fire Disaster Fund, Christian Life Missions, 600 Rinehart Rd. Lake Mary, Florida 32746. Or give through PayPal at . or call 407-333-0600 during business hours to give by phone.
