

# Newt Gingrich Explains Why the Media Can't Comprehend Trump

President-elect Donald Trump's successful candidacy is the result of an unequivocal disconnect between elite media and average Americans, says former House Speaker Newt Gingrich.

Speaking Tuesday at The Heritage Foundation at the first of a six-part series on Trumpism, Gingrich explained how the media's disdain for the American people ultimately led to Trump's victory in November.

"Because the media had such contempt for the average American, they simply could not see what was happening," Gingrich said.
