

No Compromise

✖ By Christafari | Lion of Zion Entertainment

Christafari has been reaching the lost with reggae music for the last 20 years. These musical pioneers have released 10 albums; performed in 46 states, 50 countries and at two Olympic Games; and played for a U.S. president. Earlier this year the 10-piece group took a break from touring so they could put together an album that celebrates two decades of ministry.

The 15 songs on *No Compromise* offer a modern take on Christafari's signature sound. Another aspect that sets this album apart is the guest appearances. More than 30 of the top names in gospel reggae, hip-hop and worship are featured on this milestone album
